A children's song may be a nursery rhyme set to music, a song that children invent and share among themselves or a modern creation intended for entertainment, use in the home or education. Although children's songs have been recorded and studied in some cultures more than others, they appear to be universal in human society.

Background. The title of the track came from an experience the Johns had when they found a huge number of Ng listings in the New York City phone book.. Linnell: "I think I was collecting possible song ideas and, for some reason, I ended up looking in the phone book, and there were about four pages of this name that contains no vowels, Ng.
