a system of rhetoric pdf

Rhetoric is the art of using language to convince or persuade. Aristotle defines rhetoric as "the faculty of observing in any given case the available means of persuasion" and since mastery of the art was necessary for victory in a case at law or for passage of proposals in the assembly or for fame as a speaker in civic ceremonies, calls it "a combination of the science of logic and of the ...

Visual Rhetoric is a means of communication through the use of visual images and texts. Visual rhetoric encompasses the skill of visual literacy and the ability to analyze images for their form and meaning. Drawing on techniques from semiotics and rhetorical analysis, visual rhetoric examines the structure of an image, and the consequent persuasive effects on an audience.
