Native American boarding schools, also known as Indian Residential Schools were established in the United States during the late 19th and mid 20th centuries with a primary objective of assimilating Native American children and youth into Euro-American culture, while at the same time providing a basic education in Euro-American subject matters. These boarding schools were first established by ...

Terminology. Indigenous peoples of the United States are commonly known as Native Americans or American Indians, and Alaska Natives. Application of the term "Indian" originated with Christopher Columbus, who, in his search for India, thought that he had arrived in the East Indies. Eventually, those islands came to be known as the "West Indies", a name still used.
