

american mathematical monthly problems pdf

Source: The American Mathematical Monthly, Vol. 120, No. 2 (February 2013), pp. 174-181 ... Proposed problems and solutions should be sent in duplicate to the MONTHLY problems address on the back of the title page. Proposed problems should never be under submission concurrently to more than one journal. Submitted solutions

Problems and Solutions Source: The American Mathematical

The MAA Press is excited to announce our new partnership with Submittable.com to process the problem and solution submissions for the American Mathematical Monthly. Submittable is a web-based manuscript management system that enables us to receive, process, track, and archive the problem and solution submissions.

Update, March 2009: Li Zhou has informed me that my conjecture (about the source of the problem) is false. Proposed by Alexander Dubinov and Irina Dubinova, Russian Federal Nuclear Center, Sarov, Russia.

Christopher Carl Heckman's AMM Problem Solutions

Manuscripts should be sent to Richard Guy, Department of Mathematics and Statistics, The University of Calgary, Calgary, Alberta, Canada T2N 1N4. Monthly Unsolved Problems, 1969-1987 RICHARD K. Guy Many Unsolved Problems have turned out to be not as unsolved, or not as unsolvable, as expected, resulting in a longer than usual updating article.

Monthly Unsolved Problems, 1969-1987

AMM Submission Manager Powered By Submittable - Accept and Curate Digital Content The American Mathematical Monthly Problems and Solutions Submission Instructions We invite readers to submit original

problems and to submit solutions to problems that have appeared recently in the Monthly.

AMM Submission Manager - Submittable

More detailed instructions are available online. Proposed problems must not be under consideration concurrently at any other journal nor be posted to the internet before the deadline date for solutions. An asterisk (*) after the number of a problem or a part of a problem indicates that no solution is currently available.

Problems and Solutions: The American Mathematical Monthly

The American Mathematical Monthly. 2017 Impact Factor. 0.306 ... The Seventy-Eighth William Lowell Putnam Mathematical Competition. Mark Krusemeyer & Daniel H. Ullman. ... Problems and Solutions . Problems and Solutions. Gerald A. Edgar, Daniel H. Ullman & Douglas B. West. Pages: 755-763.

The American Mathematical Monthly: Vol 125, No 8

The American Mathematical Monthly goes back a long way, to a radically different era in mathematical life, and has never quite caught up with the present in terms of making information readily available. Not being a research journal as such, it mostly falls outside the realm of review databases MathSciNet, Zentralblatt.

Is there an index for solutions to American Mathematical

Its readers span a broad spectrum of mathematical interests, and include professional mathematicians as well as students of mathematics at all collegiate levels. Authors are invited to submit articles and notes that bring interesting mathematical ideas to a wide audience of Monthly readers.
