

an accounting of progress pdf

Accounting history and accounting progress social and political pressures, but, thereafter, acted as an enabling device to assist further developments” (Tomkins, 1978, p.9, emphasis in original).

(PDF) Accounting history and accounting progress

The “new” accounting historians that emerged from the mid-1980s characterised their predecessors as relying heavily on a view of accounting as progressive and accounting change as evolutionary. From a social science perspective, progress is a problematic concept, as it implies not just change but also improvement, and thus seems to imply the making of a value judgement.
