Feed the Animals is the fourth studio album by American musician Gregg Gillis, released under his stage name Girl Talk by Illegal Art on June 19, 2008. Illegal Art originally released the album as a digital download through their website using a "pay what you want" pricing system. Like much of his previous work, Gillis composed Feed the Animals almost entirely using samples of other artists ...

Feed the Animals - Wikipedia

A talking animal or speaking animal is any non-human animal that can produce sounds or gestures resembling those of a human language. Several species or groups of animals have developed forms of communication which superficially resemble verbal language, however, these are not defined as language because they lack one or more of the defining characteristics, i.e. grammar, syntax, recursion and ...

Oviparous animals are animals that reproduce by laying eggs. This is how most fish, amphibians, reptiles, insects, and arachnids reproduce. All birds and monotremes also reproduce like this.. The eggs that of most animals that live on land are protected by hard shells. They fertilize their eggs internally. Water-dwelling animals like fish and amphibians lay eggs that have not been fertilized yet.
