Determining Methods used in Teaching Geography in

This paper investigates teachers' and students' perceptions concerning the impact of using tablet devices for teaching and learning purposes. An explorative focus group study was conducted with teachers (n = 18) and students (n = 39) in a secondary school that has implemented tablet devices since 2012. The general finding of this study shows that the use of tablet devices in the classroom ...

Teaching and Learning with Mobile Technology: A

Communicative language teaching (CLT), or the communicative approach, is an approach to language teaching that emphasizes interaction as both the means and the ultimate goal of study. Language learners in environments utilizing CLT techniques, learn and practice the target language through the interaction with one another and the instructor, the study of "authentic texts" (those written in ...

Earn a Teaching Certificate and a Graduate Degree! In an effort to build the teaching profession and provide new opportunities for prospective graduate students, the Department of Teaching, Learning and Teacher Education is offering full-time, M.A. degree program that will lead to certification in one of the areas below.

Masters Degree leading to Initial Teaching Certification

Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.
