This bill would also establish the Council on Health Care Delivery Systems as an independent body to develop a plan that includes options for advancing progress toward achieving a health care delivery system in California that provides coverage and access through a unified financing system for all Californians.

Bill Text - AB-1810 Health.

Universal health coverage is a broad concept that has been implemented in several ways. The common denominator for all such programs is some form of government action aimed at extending access to health

care as widely as possible and setting minimum standards.
