Varieties of World-Making Beyond Globalization

Book Description: Globalization has been the topic of heated debate in recent years, with one side asserting that it will produce a better standard of living for people around the world, and a fierce opposition arguing that it will ultimately lead to greater poverty and the destruction of unique human cultures.

Varieties of World Making: Beyond Globalization on JSTOR

The emergence of a new model of globalization does not mean, of course, that the old ways of engaging with the world will suddenly become irrelevant. Nor are we at an unprecedented moment—the ebbs and flows of globalization are nothing new.

Book Review: Beyond Globalization: Making New Worlds in

globalization has long historical roots, many of which were regional rather than worldwide. The “history of globalization” in this essay thus refers to the many steps leading to the current stage. Although some scholars have proposed terms such as “proto-globalization” or “archaic globalization” to describe these earlier stages, such

Globalization in Historical Perspective

Beyond globalization theory Curran & Park, 2000 Summary Curran & Park outline several dominant media theories from the last 100 years. The general ideology of those theories start as West-centered domination-driven theories and develop into a domination-undermining theory moving further to domination once again and then to freedom. So what is it?

Beyond globalization theory - Rob Thomson

about his important new book, Making Globalization Work and I think that Joe epitomizes the ideal that we strive for at the Center for Global Development in the way that he passionately bridges the worlds of scholarship and policy. You probably all know the mythical elements of Joe’s biography but I’ll refresh your memory very briefly.

Making Globalization Work - Center For Global Development

Beyond Globalization and its Myths Is it necessary for us to make the case for a globalizing economy, and internationalizing corporate activity? Do you need more arguments to join the camp of the apostles of the global economy? When did you last argue with your organization, client, or shareholders that your company needed to
