This article's lead section may be too long for the length of the article. Please help by moving some material from it into the body of the article. Please read the layout guide and lead section guidelines to ensure the section will still be inclusive of all essential details. Please discuss this issue on the article's talk page. (April 2011)

Multicultural education - Wikipedia

In the 21st century Canada is often characterised as being "very progressive, diverse, and multicultural". However, Canada until the 1940s saw itself in terms of English and French cultural, linguistic and political identities, and to some extent indigenous. European immigrants speaking other languages, such as Canadians of German ethnicity and Ukrainian Canadians, were suspect, especially ...
