1. Describe the tools and equipment associated with fabrication. 2. Describe procedures utilized in sheet metal development. 3. Identify the procedures associated with joining and installing sheet metal duct.

### **Chapter 13 Layout and Fabrication of Sheet Metal and**

Thomas William "Tom" Roberts (8 March 1856 – 14 September 1931) was an English-born Australian artist and a key member of the Heidelberg School, also known as Australian Impressionism. After attending art schools in Melbourne, he travelled to Europe in 1881 to further his training, and returned home in 1885, "primed with whatever was the latest in art".

Service design is the activity of planning and organizing people, infrastructure, communication and material components of a service in order to improve its quality and the interaction between the service provider and its customers. Service design may function as a way to inform changes to an existing service or create a new service entirely. The purpose of service design methodologies is to ...
