PDF [DOWNLOAD] Breaking Boundaries: In Political

Description : Breaking Boundaries has as its primary intention just what the title implies: to reevaluate the paradigmatic and often divisive categories set forth by the literary establishment, whether those be cultural, linguistic, literary, academic, political, or sexual. We focus on an already extensive and rich body of literature written by Latina women, yet virtually unrecognized by institutions of power, although, fortunately, there are some exception.

Political risk arises due to the changes in the government policies or instability in the government sector. So it is important for an exporter to be constantly aware of the policies of foreign governments so that they can change their marketing tactics accordingly and take the necessary steps to prevent loss of business and investment.
