Our world runs on information, with more and more aspects of daily life having information technologies and digital systems at their core. Topics such as open-source software, virtual organizations, online political campaigns, digital television, social media, and computer games need to be understood and advanced from both a technical and human perspective simultaneously.

A r sum  or resume is a document used by a person to present their backgrounds and skills.

R sum s can be used for a variety of reasons, but most often they are used to secure new employment.

A typical r sum  contains a "summary" of relevant job experience and education, as its French origin implies. The r sum  is usually one of the first items, along with a cover letter and sometimes ...
