

### **emerging derivative markets in pdf**

Controlling for such financial factors, the differences between advanced and emerging economy derivatives markets appear to reflect mainly differences in income. The level of per capita GDP is highly significant, both statistically and economically, whereas a dummy variable that takes the value of one if a country is an EME and zero otherwise turns out to be insignificant.

### **Emerging derivatives markets? - Bank for International**

Derivatives markets in emerging and advanced economies The sharp movements in exchange rates during the past few years masked a solid increase in activity in EME derivatives.
