Cheating Women of Babylon 1 Comment If I had to speculate about the identity of the first person ever executed by crucifixion, I would say it was probably a woman living in ancient Babylon (present-day Iraq) during the first Babylonian dynasty in the 18th century BCE.

Cheating Women of Babylon | The Crucifixions

Impalement is the penetration of an organism by an object such as a stake, pole, spear or hook, by complete (or partial) perforation of the body, often the central body mass. This article has a primary focus on impalement as a form of execution, how it was performed, and highlighting some places where it was used. The included literature suggests that impalement across a number of cultures was ...
