A genius is a person who displays exceptional intellectual ability, creative productivity, universality in genres or originality, typically to a degree that is associated with the achievement of new advances in a domain of knowledge. Despite the presence of scholars in many subjects throughout history, many geniuses have shown high achievements in only a single kind of activity.

In the USA up to 4 in ten adults use 'some form' of alternative therapy 1. In Britain there are about 150 000 alternative therapists, and the public spend about £4.5 billion on them (as of year 2009) 2. In nearly all practices, they work due to the psychology surrounding 'treatment' (the placebo effect and statistical regression) rather than the actual result of the treatment.
