Hewlett Packard is the most dominant printer company on the market, so HP printers are everywhere. Find your printer below and click the link for instructions on printing the config page.

How to print configuration pages: HP Configuration Pages

Host-based - Host-based drivers use the computer's (host's) resources to process print commands when the computer is connected to the printer via USB cable. It is a custom driver created for host-based printers to provide basic print or print/scan software features. Enables more advanced software functionality than the drivers included in OS or Windows Update.
