libraries: comic books, graphic novels, storyboards, and more tangentially, graffiti and sticker art. Although patrons may not differentiate between graphic novels and comics, it is important for librarians, at least in collection-development terms, to make the distinction. Comics, in production, publication, and consumption, are essentially serials.

Graphic novels are amazingly diverse, both in terms of their content and usefulness. For example, Gorman (2002) notes that graphic novels are exactly what teens are looking for—they are motivating, engaging, challenging, and interesting. Schwartz (2002, 2004) believes that graphic novels are engaging because they allow for teachers
